

### FEDERAL SAVINGS PRESIDENT NAMED HEAD OF COMMITTEE

Howard Edgerton, president of California Federal Savings and Loan Association in Los Angeles, Calif., was named today to serve as a vice chairman of the United States Savings and Loan League's influential Legislative Committee.

The appointment of Edgerton, a former U.S. League president, was announced by Eugene M. Hortlock of New York City, current league president. The league is the national trade organization representing more than 5,000 individual savings and loan associations.

#### Service

Mortlock said in the announcement: "As a result of his service as league president in 1955 and the many other positions of responsibility he has held in the savings and loan business, Mr. Edgerton possesses invaluable experience concerning the legislative problems and opportunities facing the nationwide savings and loan business. Through this appointment, we hope to benefit once again from his knowledge and good judgment."

#### President

Edgerton has served as president of California Federal since 1939. Now the nation's largest federally-chartered association, it holds assets of more than \$1 billion. In addition to his term as U.S. League president in 1955, he has also been president of the California Savings and Loan League, a member of U.S. League's Executive Committee and chairman of the U.S.

League's Advertising and Business Promotions Committee.

#### Functions

The functions of the committee are to review pending League's Legislative Committee legislation which affects the interests of savings and loan associations and to make legislative recommendations which will encourage the sound business operations of these institutions. The committee's annual legislative conference will be held Jan. 26 to 28 in Washington, D.C.

PRESIDENT HOWARD EDGERTON

### Camino Wrestlers Fifth In Tourney

By JERRY CORBET

El Camino College wrestling team placed fifth in the annual UCLA tournament held Dec. 7, at that college. Coach Dave Hengstler's grapplers were succeeded by UCLA with 69 points, Grossmont College-53, Cal Poly and Fresno City tied for third.

#### Participants

Thirty-two colleges participated in the tournament and EC grabbed one champion spot, second and third place to add up 38 points. This is the third non-conference match for the Warriors, losing to the EC Alums and beating Fullerton, 36-8.

#### Tom McCann

Tom McCann, 123 pound class eliminated Ed Mador Phoenix JC; Jim Neal, Pierce College; Bob Janko, UCLA and finally, Joe Bain of Fullerton College to capture the first spot in his weight

class.

#### Rich Tamble

Rich Tamble, (alum from South High) in the 147 pound class, won over Pete Gosselin of Grossmont College, Chico Marquez, Fresno City but lost to Dave Hollinger, UCLA to come in second.

#### Sam Garcia

Second year man, 130 pounder, Sam Garcia, (North High) a decisive win over Jim Moore of Cerritos, Bob Ehrenkrans, UCLA; Andy Harris, Long Beach City and lost to Bill Teem in the semi-finals. Garcia returned for the consolation match with, Ray Martin of South Western and Paul Shaeffer of Grossmont to place third in his class.

Mt. San Antonio College will be the Warriors last match of this year. Then at the start of the year, Jan. 4, they will hold a home-match against Grossmont College.

### Carson Intersections Get Left Turn Lanes

Left-turn pockets have been provided at two major Carson intersections at the direction of Supervisor Kenneth Hahn.

Carson boulevard's intersections with Avalon boulevard and Main street have been striped for left turns only in the middle lane.

In calling for the left-turn pockets, Supervisor Hahn pointed out that Carson is a three-lane highway and dangerous situations are created when cars approach the intersections in opposite directions from the middle lane.

#### Difficult

"It was difficult for drivers to know whether the oncoming car was planning to turn left or proceed through the intersection," Hahn observed.

He pointed out that reversing the middle lane for left turns at the intersec-

tions not only facilitates traffic movements, but greatly lessens the possibility of head-on collisions.

#### Confusion

"I have never liked the three-lane highways because the middle lane, normally used only for passing, creates confusion," Hahn said. "However, there are still several three-lane highways in the county and I think we should move forward as soon as possible in widening these to at least four lanes with a divided center strip."

#### Plans

He said plans are on the drawing board for the widening of Carson.

The Carson area added to Supervisor Hahn's District last summer when all Supervisor's Districts were realigned.
